

## CALL FOR ABSTRACTS

The 2024 edition of Waste and Recycling Expo Canada is now accepting abstracts for the educational programming portion of the Waste and Recycling Expo Canada being held November 5-7, 2024 at the International Centre in Toronto, CA.

Papers are solicited in (*but not limited to*) the following areas:

- Climate Change & Environmental Justice
- Organics Management & Composting
- AI & Robotics
- Circular Economy
- Food Waste
- Innovative Technologies
- Carbon Labeling
- Material Recovery
- Landfill Management & Odor Mitigation
- Programming and Communications
- Labor Challenges
- Thermal Treatment Technology
- Textile Waste Recycling

Selection of papers will be based on abstracts of 300-500 words. Authors should emphasize new and significant findings/developments. Please note these abstracts should be education focused.

All abstracts must include: the name, company or other affiliation, telephone number, fax number, e-mail address and mailing address of the speaker and/or the person to whom correspondence about the abstract should be directed. Only one speaker per presentation will be allowed, though co-authors may be listed. The speaker will receive a complimentary conference and event registration. Authors will only be notified if their papers are accepted. All costs associated with your participation will be at your expense (travel, housing and food). Registration for the event will be complimentary if your paper is accepted.

Deadline for submission is Friday, March 1, 2024 via email to the following:
