

waste & recycling expo

CANADA

Dates and Hours	Conference : Tuesday, November 5 – Wednesday, November 6 Exhibition : Wednesday, November 6 – Thursday, November	8:30 AM – 4:30 PM 10:00 AM – 5:00 PM
Location	International Centre, Hall 5 Toronto, ON, Canada	
Attendees	Representing: collection, hauling, disposal service companies; construction / demolition companies; consultants / engineers; facility / site operators; ICI (industrial, commercial and institutional); landfill operators; manufacturers with waste streams; property managers; recycling coordinators; transportation / fleet maintenance personnel; waste managers; federal, provincial and municipal government employees responsible for waste management and public works; airport managers; road supervisors; lawyers related to the sectors; industry publishers and associations	
Product Categories	<p>Composting Systems / Components</p> <p>Construction & Demolition Waste / Scrap Recycling: battery collection and recycling; collection, hauling & disposal services; construction and demolition and; scrap metal recycling / magnets; shredders</p> <p>First Responders Equipment, Supplies / Services: Emergency response, fire, EMT, police, communication systems, radios; demolition, restoration and clean up; hazmat, spill response; fleet and crew management technologies</p> <p>Incineration / Gasification / Thermal Technologies</p> <p>Infrastructure Redevelopment / Public Works: building maintenance / facility management; consulting / engineering; laboratory testing services; waste auditing / environmental management; waste to energy technology; parks & recreation products and services; traffic / pedestrian control; portable toilets; street cleaning equipment; road and ground maintenance</p> <p>Landfill Operations / Systems: IC&I waste management; landfill management systems (caps, daily covers, liners, gas / leachate collection & disposal); landfill operators; odor control; occupational health & safety products and services</p> <p>MRFs / Transfer Stations / Storage / Containers: compactors / crushers; containers (bins, bags & carts); scales / weighing systems; casters / wheels; lifts / hoists; transfer equipment</p> <p>Municipal / Construction Equipment: Backhoes, loaders, bulldozers, skid steers, forklifts, mowers, brush cutters, stump grinders, chippers, rock pickers, sewer cleaners, crack sealing equipment, spray-patchers, pavers, street sweepers, snow and ice control equipment – attachments, spreaders, dump bodies, service bodies</p> <p>Natural Gas Vehicles (NGV) / Compressed Natural Gas (CNG)</p> <p>Recycling Equipment / Services: balers; conveyors / belts; electronic recycling & destruction; glass recycling; instrumentation, control, sampling & monitoring equipment; paper recycling / collection; plastics recycling / collection; recycling, sorting and separation equipment; tire recycling, wood recycling equipment / parts (grinders, delimiters, debarkers, trommel screens, chippers, etc.)</p>	<p>Software / Technology / Education: software, internet / multi-media technologies; industry associations; industry information, technical resources, publishing; information technology recovery; training & continuing education; wireless communications</p> <p>Sustainability / Green Buildings / Environment: Renewable / clean energy technologies, solar, wind, geothermal, waste-to-energy, Net-zero, energy storage, CNG / NGV, turnkey fuel station systems</p> <p>Traffic & Road Safety / Control: Sign structures, railings, bridges, poles, anchors, concrete barriers, noise barriers, crash cushions, guardrails, end terminals, dust control, de-icers, road salt, road maintenance, traffic signs / control, safety products, vegetation control, aggregates, asphalt, gravel, crushing, ready-mix, septic installations, sand & stone supply, excavating, topsoil; pavement engineering & design; equipment storage, warehousing; geotextiles, ground engineering: Culvert rehabilitation, environmental consulting, erosion control, trenching, drainage applications, soil stabilization, retaining walls</p> <p>Trucks & Transportation Equipment / Heavy Equipment: GPS tracking systems; heavy equipment, attachments / parts; load cells; material handling equipment; moving floor systems; trailers – manufacturing / services; transportation / fleet maintenance; trucks, hauling equipment – refuse vehicles, front loaders; roll-offs, luggers, hook lifts, etc.; lifters / tippers; snow / ice control equipment; truck, tire / equipment washing systems; truck chassis equipment / parts; hydraulic components; tarping systems; OEMs; backing safety systems</p> <p>Waste Treatment / Disposal: pumps, valves, meters; sludge filtration, dewatering / dredging; medical / infectious / special waste; wastewater collection / treatment; industrial chemical cleaners; hazardous waste equipment & services</p> <p>Water / Wastewater / Infrastructure / Utilities / Asset Management: Collection systems – operations, maintenance, overflow reduction, unpredictable weather planning, watershed; membrane technologies – wastewater, water reuse, regulatory compliance; plant operations & treatment - technologies, processes, nutrient removal and odor control; residuals & biosolids - incineration, disposal, regulations; stormwater - treatment, management, modeling; utility management - asset management, billing systems, financial planning, regulatory compliance and security; water reuse / recycling - research, regulations and emerging technologies</p>
Fees	<p>Exhibitor Participation : Raw space only. – C \$28 / NSF An additional cost of C \$250 per open corner for Corner, Peninsula and Island booth locations. *Subject to G.S.T. and/or H.S.T. Mandatory Marketing Fee of \$395 to include (1) mobile app listing, (1) listing in the official digital directory, online exhibitor search, display up to 5 product photos online, (1) company video upload and (5) social media links.</p> <p>Visitor Cost* – C \$45 Early Bird (March 1 - May 1, 2024) C \$55 Pre-Registered (May 2 - November 5, 2024) C \$75 Onsite *Does not include cost of Conference program or Reception</p>	
Education	CWRE Conference – Educational programming	
Organizer	<p>Messe Frankfurt, Inc. Sarah Hatcher, Sr. Show Manager Tel: +1 678.732.2403 Email: CWRESales@usa.messefrankfurt.com Website: www.cwre.ca</p>
