

## CALL FOR BIDS - INNOVATION AWARDS

The 2024 edition of Waste & Recycling Expo Canada cordially invites exhibiting companies and research institutions to submit their most recent developments for the Waste & Recycling Innovation Awards. These Awards will be presented to honor exceptional performance in the fields of research, new materials, products and technologies. The awards have been designed to make cutting-edge developments visible, promote unconventional thinking and intensify dialogue between researchers, manufacturers, and users.

An innovation must have been discovered or invented, developed, introduced, used and, last but not least, institutionalised. The Innovation Awards is presented in the following categories:

- Best New Application and Product
- Best New Technology for Sustainability
- Best New Technology for Automation

Registration to participate in the Waste & Recycling Expo Canada Innovation Awards is done through the following form. Once the application has been completed please submit to the contact below. The winner will be determined by a jury of experts who will assess the contest entries submitted. The jury's decisions will be based on a simple majority of votes cast and will be final for all participants. The jury will not provide reasons for not selecting individual entries.

Winners will receive:

- A special exhibition and recognition during Waste & Recycling Expo Canada.
- Publishing at [www.cwre.ca](http://www.cwre.ca) and on the Waste & Recycling Expo Canada social media channels.
- The right to use the Waste & Recycling Expo Canada Innovation Award 2024 logo (word and figurative mark in a file form) in publications.
- An official award
- Press Release

Deadline for submission is Friday, August 16th, 2024 via the emailed form.
